How to get to Lufthansa Consulting in Frankfurt

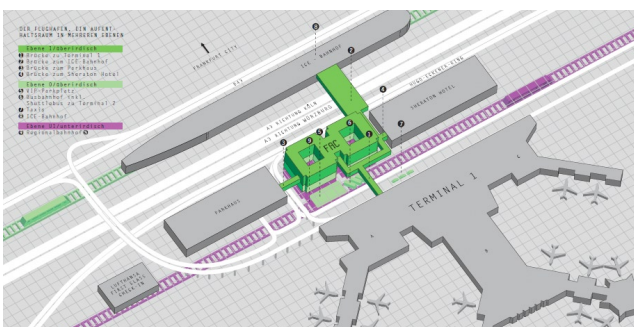

By car

Car park/parking:

Arriving via motorways A 3, A 67 and A 5, in the direction of the airport. Follow the signs for "Terminal 1". Enter the car park next to FAC 1, using entrance P2-P5. On level 8 of the car park take the direct connecting passage to FAC 1. The Lufthansa Consulting offices are on the 7th floor in building B.

Arriving by taxi or driver:

We recommend entering "Südpassage" into the sat nav. Follow the signs for "Terminal 1" and then take the direction CD/CC car park and finally follow the signs for FAC 1. After a few meters the main entrance to the FAC 1 is on your left. The Lufthansa Consulting offices are on the 7th floor in building B.

By public transport

Regional station:

When you arrive at the regional station take the escalator into Terminal 1. Go to the connecting passage into the building at "Departures B" between Hall A and B. Follow the signs to "Frankfurt Airport Center 1". Use the glass bridge to reach the building. The Lufthansa Consulting offices are on the 7th floor in building B.

Long distance station:

When you arrive at the long distance station take the escalator to the top. Follow the signs in the direction "Frankfurt Airport Center 1" (straight ahead). At the bakery "Ditsch" turn right into the building. After a few steps you will reach the lobby of the FAC 1. The Lufthansa Consulting offices are on the 7th floor in building B.

From Frankfurt airport

Go to Terminal 1 Departures Level between Hall A and B and follow the signs to "Frankfurt Airport Center 1". Use the glass bridge to reach the building. The Lufthansa Consulting offices are on the 7th floor in building B.
