

Panagiotis Poligenis

Associate Partner & Head of
Market Asia-Pacific

Panagiotis Poligenis is responsible for the Asia-Pacific market and leading our Solution Group Maintenance & Engineering

His specialties: Business Planning and Strategy, Aircraft Maintenance Management, Subcontractor Relationship Management and Airline Operations. In the almost 10 years since joining Lufthansa Consulting, he has also become our key expert for IOSA Compliance and Quality Management projects. Panagiotis has supported a number of clients worldwide to develop and to implement efficient business processes in airline operations and aircraft maintenance.

Panagiotis has been with the Lufthansa Group since 2002, starting out as Sales and Key Account Manager for regional aircraft engine MRO services with Lufthansa Technik AERO Alzey in Germany. Before joining Lufthansa Consulting, he served as Head of Marketing and International Sales for P&WC Products at Lufthansa Technik AERO Alzey.

Panagiotis Poligenis has a German and Greek background and is fluent in English, German and Greek.

Please contact Panagiotis to discuss your business development plans in the Asia-Pacific Region:
