

IOSA renewal audit

Preparation support in turbulent and unpredictable times

What's the situation?

The current Coronavirus outbreak has a significant impact on the entire aviation industry. Renewals of IOSA audits may be difficult prior to the original expiry date.

1.

What is IATA doing?

IATA implemented the so called 'IOSA Support Program' consisting of different temporary measures to overcome specifics of auditing during Covid-19 situation.

2.

How can we support?

Lufthansa Consulting provides tailored assistance to the airlines based on years of successfully preparing them for the IOSA audits.

3.

What are your benefits?

With Lufthansa Consulting's audit preparation you get structured guidance through the process provided by a team with deep expertise in all IOSA scopes.

4.
